Workforce Programs

Ready2Work Program

Jumpstart your career with our paid four-week Ready2Work program. Develop essential skills in work readiness, career exploration, resume building, interview preparation, and digital literacy. Gain practical experience and earn an income while preparing for your future.

Urban Tech / Jobs4Health

Enhance your career prospects with our digital job skills training programs, funded by Comcast.

Learn workforce readiness skills and pursue an accredited IT certification, opening doors to potential employers in the tech and health sectors.

One-on-One Career Coaching

Unlock your full potential with personalized career coaching, tailored resumes, and connections to employers actively seeking diverse candidates. Our Career Center provides access to a fully equipped computer lab and ongoing workshops to enhance digital skills and interview preparedness.
