Federally Qualified Health Centers

April 2022 | vaccines@phila.gov

Federally Qualified Health Centers (FQHCs) are community-based organizations that provide comprehensive primary care and preventive care, including health, oral, and mental health/substance abuse services to persons of all ages, regardless of their ability to pay or health insurance status. FQHCs are a critical component of the health care safety net.

Use this list to identify the FQHCs in your neighborhood and get access to needed care. **Call ahead to confirm hours and available services at each center.**
